CONSERVATION AND TREES

A house, completely destroyed, may be rebuilt in exact duplicate; its ashes may give birth, phoenix-like, to something even finer, but a cherished shade tree—dead—cannot be so readily replaced. The slow, intricate processes of a painstaking Nature are not at the command of genius and wealth.

Setting a proper valuation on your shade trees—entrusting the perpetuation of their health, beauty, and vigor to those trained in scientific methods, is a logical precaution.

PUBLIC TAXICAB FARES IN BOSTON

Public Automobiles—The authorized fare for automobiles other than motor taxicabs shall be not more than \$4, an hour, when hired by the hour, not more than 40 cents per mile when hired on a mileage basis. This rule shall apply to automobiles hired at a garage as well as to those hired in the public streets. The rule as to baggage for motor taxicabs shall apply also to automobiles.

(Note. For automobiles hired or to be hired by the hour or to undertake trips in whole or in part outside the limits of the City of Boston, the price shall be agreed upon between the person in charge of the automobile and the passenger or passengers, and that as a matter of fairness the person in charge shall so inform the person or persons proposing to hire before undertaking the trip. Although the Police Commissioner has no authority to establish rates for trips extending beyond the limits of the City of Boston, proof of what shall appear to him to be an extortionate charge for service outside such limits will be regarded as reasonable ground for believing that the owner or driver so charging is not a suitable person to be licensed).

Motor Taxicabs—The maximum prices or rates of fare which drivers of hackney carriages propelled by mechanical motors and using taximeters as the means of measuring the distance traveled, to be known as "Motor Taxicabs" may charge and demand for services rendered in conveying passengers as follows:

From point to point within the city limits:	
First half mile or fraction thereof, for one person	40c
Each quarter mile thereafter	10c

Waiting time shall include all time during which the vehicle is not in motion, beginning nine minutes after its arrival at the place to which it has been called, or, if engaged in the street or at a stand, beginning nine minutes after the time of such engagement. A charge of 10 cents for each three minutes may be made. But no charge shall be made for time lost through interruption of street traffic or through the inefficiency of the vehicle or its driver, or for time between premature arrival in response to a call and the hour for which the vehicle was ordered.

Baggage—Hand baggage may be carried by passengers without charge. The carriage of trunks shall be optional with the person in charge of the vehicle, but if carried the charge shall be 25 cents for each trunk.

Ferry tolls will be paid by passengers.

By the Hour—When a motor taxicab is hired by the hour or for a trip wholly or in part outside the limits of the City of Boston, the person in charge may suspend, with the consent of the passenger, the use of the taximeter as a means of determining the price to be paid, and the motor taxicab shall come temporarily under the provisions of that part of this rule which relate to charges for automobiles.

STORM WARNINGS—A red flag with a black centre indicates that a storm of marked violence is expected.

The pennant displayed with the flags indicates the direction of the wind; red easterly (from northeast to south); white, westerly (from southwest to north).

The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light indicates easterly winds, and a white light below a red light, westerly winds.

HURRICANE WARNING—Consists of two red flags with black centres, displayed one above the other. It is used to announce the expected approach of tropical hurricanes, and also of those extremely severe and dangerous storms which occasionally move across the great lakes and the Northern Atlantic Coast. The flags are the same as the one now used for the distinctive signal, the pennants being omitted.
